LOST AND FOUND

All items left in meeting rooms, public space or in guestrooms are taken directly to Security. The items are tagged, placed in a clear plastic bag and logged in the “Lost and Found Book”. Then the items are locked in the lost and found safe in security.

All items are kept for a minimum of 30 days, maximum of 90 days. This is due to space availability. Cash, credit cards and jewelry are kept in a separate lost and found safe in the Security office. The hotel does not pay to ship lost and found items. Found articles will be shipped to guests C.O.D. or shipping may be charged to a credit card.

Security also has a lost and found inquiry log. This is for guests who have lost something that has not been logged into lost and found. If the item is turned in later the guest will be contacted.
